## Ready, set, nail!

She Nailed It! is a timed nailing competition between teams of women to raise money for Monroe County Habitat for Humanity. Teams of 4 ladies go head-to-head in a nail-biting, nail-hammering competition to see who can hammer the most nails. There are team winners and individual awards- the Bronze, Silver and Golden Hammers.

The event takes place on the lawn of the beautiful Shawnee Inn & Golf Resort. Enjoy music, raffles, food for purchase, lawn games and more at this family-friendly event. Admission is free for anyone who wants to cheer on the competitors and be a part of the day.

She Nailed It! is one of our biggest annual fundraisers. Your participation benefits our organization, so that we can continue to build strength, stability and self-reliance through shelter. We thank you for choosing and giving to Monroe County Habitat for Humanity.
